JAKARTA ONE RUNNING

SERIES.01

ONE CITY, ONE CELEBRATION

JAKARTA ONE RUNNING OVERVIEW

JAKARTA ONE RUNNING unfolds across five symbolic routes representing the five regions that shape the capital. Each course spans 5.00 kilometers, marking every step as a reflection of the city's 500 years of growth, struggle, transformation, and pride. This is a collective movement, where streets become stories, and runners become part of Jakarta's living narrative. From the bustling urban corridors to the cultural veins that define each area, the event connects communities through motion, honoring the past while energizing the future.

This is Jakarta in stride. 500 years. 5 regions. 5.00 kilometers each. One city. One celebration.

Assalamu'alaikum warahmatullahi wabarakatuh.

Mewakili Pemerintah Provinsi DKI Jakarta, saya menyambut baik atas penyelenggaraan *Jakarta One Running Series 2026* dengan tema *One City, One Celebration*. Kegiatan ini bukan sekadar ajang lari, melainkan sebuah gerakan kolektif yang mengajak seluruh warga Jakarta untuk bergerak bersama, saling terhubung, dan merayakan kotanya dengan cara yang positif.

Saya melihat bahwa *Jakarta One Running Series* memiliki nilai yang sangat strategis. Dengan melibatkan lima wilayah kota dan menghadirkan titik temu di Monumen Nasional, kegiatan ini merepresentasikan Jakarta sebagai simbol persatuan, kolaborasi, dan semangat kolektif seluruh warganya.

Selain itu, kehadiran peserta internasional, pelari elite, serta standar penyelenggaraan yang mengacu pada praktik global menunjukkan bahwa Jakarta siap menjadi tuan rumah event berskala dunia. Ini merupakan langkah penting dalam memperkuat *positioning* Jakarta sebagai destinasi *sport tourism* dan *lifestyle city* di tingkat internasional.

Saya mengapresiasi pendekatan yang komprehensif melalui rangkaian kegiatan seperti *expo*, *workshop*, hingga festival publik yang inklusif. Hal ini mencerminkan bahwa *Jakarta One Running Series* tidak hanya menghadirkan sebuah *event*, tetapi juga membangun ekosistem gaya hidup aktif berkelanjutan.

Bertepatan dengan momentum menuju 5 abad Kota Jakarta, Pemerintah Provinsi DKI Jakarta berkomitmen memberikan dukungan agar kegiatan ini berjalan optimal guna menciptakan dampak nyata bagi masyarakat. Saya berharap penyelenggaraan *event Jakarta One Running Series 2026* dapat berjalan dengan sukses. Mari bergerak bersama, menunjukkan rasa cinta kepada kota ini, dan menghadirkan Jakarta sebagai kota global yang sehat, inklusif, dan berkelas dunia.

Wassalamu'alaikum warahmatullahi wabarakatuh.
